Authorizations: I hereby authorize release of any medical information necessary to process this claim and request payment of insurance benefits either to myself or to the party who accepts assignment. I authorize payment of any medical benefit from third-parties for benefits submitted for my claim to be paid directly to this office. I authorize the direct payment to this office of any sum I now or hereafter owe this office by my attorney, out of proceeds of any settlement of my case and by any insurance company contractually obligated to make payment to me or you based upon the charges submitted for products and services rendered. I understand and agree that health and accident policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that this office will prepare any necessary reports and forms to assist me in making collections from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account upon receipt. However, I clearly understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, any fees for products or professional services rendered will be immediately due and payable.

Cancellation / No Show Policy / Emergency Appointments

1. Cancellation/No Show Policy for Appointments

We understand there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book. Typically there are patients on a wait list for these services that could have been scheduled if given appropriate advanced notice.

If an appointment is not cancelled at least 24 hours in advance, you will be charged a \$100 fee; this will not be covered by your insurance company.

After 3 no call no show/missed appointments in a row, the patient is released from active care.

2. Scheduled Appointments

We understand that delays can happen, however, we must try to keep the other patients and doctors on time. We expect patients to arrive at least 5 minutes prior to their scheduled appointment.

If a patient is 10 minutes past their scheduled time, we will have to reschedule the appointment. This will be considered a last minute cancellation and will result in a missed appointment, you will be charged a \$100 fee; this will not be covered by your insurance company.

3. After hours and Emergency Appointments

If the need arises for you to be seen by a SCWC provider outside of their normal SCWC hours, you will be charged an after-hours/emergency fee. “Outside of normal SCWC hours care” refers to any care provided by a provider that is scheduled outside of their typical schedule hours. Our office is closed every Thursday, weekends, and all major holidays.

If you need emergency or after hours care, there will be an additional \$150 fee along with any service charges from your treatment; this fee will not be covered by your insurance company.

HIPAA Omnibus Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy Practices is NOT an authorization. This Notice of Privacy Practices describes how we, our Business Associates and their subcontractors, may use and disclose your protected health information (PHI) to carry out treatment, payment or health care operations (TPO) and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. "Protected health information" is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health condition and related health care services.

USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION

Your protected health information may be used and disclosed by your physician, our office staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, to pay your health care bills, to support the operation of the physician's practice, and any other use required by law.

TREATMENT: We will use and disclose your protected health information to provide, coordinate, or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, your protected health information may be provided to a physician to whom you have been referred, DME vendors, surgery centers/hospitals, referring physicians, family practitioner, physical therapists, home health providers, laboratories, worker comp adjusters and nurse case managers, etc to ensure that the healthcare provider has the necessary information to diagnose or treat you.

PAYMENT: Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital stay, surgery, MRI or other diagnostic test, injection procedures, injection series, physical therapy, etc., may require that your relevant protected health information be disclosed to the health plan to obtain approval for the procedure.

HEALTHCARE OPERATIONS: We may use or disclose, as-needed, your protected health information in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment, employee review, training of medical students, licensing, fundraising, and conducting or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office.

In addition, we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment, and inform you about treatment alternatives or other health-related benefits and services that may be of interest to you.(this could be done by phone, email or mail). We use closed treatment rooms but you may still be in ear shot of other patients. Your initial and follow up evaluation notes will be sent to your Primary Care Physician.

If we use or disclose your protected health information for fundraising activities, we will provide you the choice to opt out of those activities. You may also choose to opt back in. We may disclose your health information to notify or assist in notifying a family member or another person responsible for your care about your medical condition or in the event of an emergency or of your death. We may use or disclose your protected health information in the following situations without your authorization. These situations include: as required by law, public health issues and safety as required by law, communicable diseases, health oversight, abuse or neglect, food and drug administration requirements, legal proceedings, law enforcement, coroners, funeral directors, organ donation, research, criminal activity, military activity and national security, workers' compensation, inmates, and other required uses and disclosures. Under the law, we must make disclosures to you upon your request. Under the law, we must also disclose your protected health information when required by the Secretary of the Department of Health and Human Services to investigate or determine our compliance with the requirements under Medicare Benefits. In the event that Sasseville Chiropractic Wellness Center is sold or merged with another organization, your health information/records will become the property of the new owner.

USES AND DISCLOSURES THAT REQUIRE YOUR AUTHORIZATION

Other Permitted and Required Uses and Disclosures will be made only with your consent, authorization or opportunity to object unless required by law. Without your authorization, we are expressly prohibited to use or disclose your protected health information for marketing purposes. We may not sell your protected health information without your authorization. We may not use or disclose most psychotherapy notes contained in your protected health information. We will not use or disclose any of your protected health information that contains genetic information that will be used for underwriting purposes. You may revoke the authorization, at any time, in writing, except to the extent that your physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.

Sasseville Chiropractic Wellness Center Medical Lien
Chandra L. Sasseville, D.C, P.A.

PATIENT NAME: _____ DATE OF ACCIDENT: _____ ATTORNEY: _____

I do hereby authorize Sasseville Chiropractic Wellness Center (later referred to as SCWC) to furnish you, my attorney, with a full report of his/her examination, diagnosis, treatment, prognosis, etc. of myself in regards to the accident in which I was recently involved.

I hereby authorize and direct you, my attorney, to pay directly to SCWC such sums as may be due and owing SCWC for medical services rendered to me, both by reason of this accident and by reason of any other bills that are due to SCWC and to withhold such sums from any settlement, judgment, or verdict as may be necessary to adequately protect and fully compensate SCWC. And, I hereby further give a lien on my case to SCWC against any and all proceeds of my settlement, judgment, or verdict which may be paid to you, my attorney or myself, as a result of the injuries for which I have been treated or injuries in connection therewith.

I fully understand that I am directly and fully responsible to SCWC for all medical bills submitted by SCWC for service rendered me and that this agreement is made solely for SCWC additional protection and in consideration of SCWC awaiting payment. And I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fees.

I fully understand that SCWC will bill my auto insurance med pay until benefits have been exhausted. At that time, they will then bill my health insurance, which will be reimbursed at time of settlement. This guarantees that insurance companies will fight for my claim, since it is SCWC policy that they do not bill my at fault party.

I agree to promptly notify SCWC of any change or addition of attorney(s) used by me in connection with this accident, and I instruct my attorney to do the same and to promptly deliver a copy of this lien to any such substituted or added attorney(s).

I have been advised that if my attorney does not wish to cooperate in protecting SCWC's interest, SCWC will not await payment but may declare the entire balance due and payable. By signing below, I agree with the above terms and understand that any monies due to SCWC will be due or payment arrangements be made 60 days after I have been released from active care of my injuries.

PATIENT SIGNATURE: _____ DATE: ____ / ____ / _____

The undersigned being attorney of record for the above patient does hereby agree to observe all the terms of the above and agrees to withhold such sums from any settlement, judgment, or verdict, as may be necessary to adequately protect and fully compensate SCWC. Attorney further agrees that in the event this lien is litigated that the prevailing party will be awarded attorney's fees and costs.
